Hospitality Pack

Elms Bank College Hub, Prestwich

Part of the

Oak

Learning Partnership

Thankyou for considering hosting your event at Elms Bank College Hub.

The students at college some of our students follow a vocational curriculum that includes a range of work experience opportunities leading to a supported internship accredited with industry recognised qualifications. As part of this some students choose to work within the hospitality setting here at Elms Bank College.

Their day will start by ironing and preparing their kitchen whites, team meetings, prioritising jobs for the day, preparation of the college lunches, serving and customer service and finally clear down.

We want to ensure that our students are prepared to go on to secure employment, traineeships, apprenticeships or continue their studies at Bury College.
